

Reunion At Cardwell Ranch (Mills & Boon Intrigue) (Cardwell Cousins, Book 4)

New York Times bestselling author B.J. Daniels continues her acclaimed Cardwell Ranch series with the spellbinding story of a woman who needs a hero and the Texas tycoon hot on her trail. The last of his clan to come home to Big Sky, Montana, Laramie Cardwell wasn't planning to spend the holidays chasing an elusive cat burglar. He's stunned to discover that the masked, black-clad figure he tackles to the snowy ground is a woman. After a distracting and sizzling kiss, she flees Laramie, who's knocked senseless by the culprit. Even though he managed to hold on to the stash in the melee, the sexy thief single-handedly stole Laramie's heart! Now he'll move any mountain to capture the mystery woman whose kiss still smolders on his lips.
