Erotica romance author and owner of one of the largest publishing companies, Damon Lear, has secrets that keep him out of relationships and into behavior that is taboo to many. She is surprised to find it thrilling and wants to please Damon more than ever, being a willing participant in his hot fantasies. Their relationship is soon threatened when details from Damons past are leaked to the media. Hes forced to take Alayna away and share with her his darkest secrets. Exes resurface, family interfere, and paparazzi stalk them, causing chaos. During it all, Damon battles to hold on to control by pushing Alayna sexually, introducing her to new, enthralling experiences. He soon realizes hes losing the hold on his heart when he witnesses Alayna fighting for the both of them. Will she submit to him completely?
