

## Hear Me: A Dark Romance Novella

Beautifully written, and just so much to experience... - Maryses Book Blog  
She doesn't remember her past, only her training. She can't talk, not that a good slave should speak out of turn. None of that matters when she wakes up in the warm, rustic room. Her new master is distant but kind. There's only one problem: he doesn't want her. Longing for the shackles of safety, she pulls from the last dregs of her will to prove her worth as a slave. It seems to be working. He responds first to her body and next to her submission. The secrets of his past haunt the cabin, fraying the tightening bond between Master and slave, but it is her own memories that may finally unravel it. HEAR ME is a dark romance novella that explores captivity and power. Not intended for those uncomfortable with the subject matter or under 18 years of age.\*\*\*\*\*Other dark romance novels from Skye Warren: Wanderlust, Trust in Me, Don't Let Go, Praise for Hear Me: Just when I think I have it figured out, another layer is revealed.
