

The Killing Edge

Chloe Marin was lucky. She was just a teenager when a beachside party mansion turned into a bloodbath. According to authorities, the killers were later found dead in the swamp. Chloes not so sure. Ten years later, as a psychologist consulting with the cops, she gets drawn in to the disappearance of a swimsuit model. Everyone assumes the girl ran off for some fun in the sun everyone but Chloe, who has been visited by the models ghost. Someone else is interested in the dead girl: Luke Cane, a P. I. investigating the disappearance for her father. Chloe and Luke barely trust one another, but they agree on the important things they will bend the law to catch these killers, and there is an undeniable attraction between them. When another mass murder occurs, Chloes beginning to think her presence is no longer a coincidence.
