

Kingdom Marriage Group Video Experience, With Leaders Guide

This uplifting new video small-group study is based on the book Kingdom Marriage. It instructs every Christ-following couple on how to tap into the power of God as they seek God's purpose and perspective for their marriage. This resource is filled with practical insights and applications as Tony Evans explains how kingdom couples bring light and life to their families and communities (estimated 6-week video study curriculum). Included in this product are a printed Participants Study Guide, a digital Leaders Guide, and the DVD curriculum. You can reflect the glory of God and the unity of the Trinity through your shared purpose, honor, and love as a true kingdom couple. Tony Evans Kingdom Marriage shows couples that the key to influencing our society and the world with lasting impact is found in solidifying biblical marriage in the way God intended. It starts with both wife and husband reflecting God and His image and modeling that reflection within the roles and responsibilities of their union. This is based on a correct understanding of God's kingdom and their responsibilities in it.
