But she isnt certain if she can confess her greatest fantasy, to be bound and dominated - especially considering she does have one secret she hasnt shared with her husband. All About Trust: Melissa had finally found the perfect lover in Gregory. He is attentive, patient, and more than capable and willing to dominate her sexually. The perfect life partner - if she can find the strength to trust him.Cowboys Dungeon: Natalies husband is the dominant in their sexual relationship. In all other aspects, she has an equal say, but when it comes to the bedroom (or his playroom) he sets the pace. Out in the barn, he has created a dungeon that would rival any city masters domain ... but he has added his own touch.A Feast for the Senses: Blindfolded. Bound. Waiting. Blindfolded and bound to the island in the kitchen during her husbands dinner party, Lisa thrills in her submission. Shes lying there, helpless, for anyone to look at ... to touch ... to tease ...
