

Hopes Kiss

Hope Barton, a lieutenant in the Reede County Sheriffs Office, discovers a chamber of horrors in the basement of an old house. Whats worse, her ex-lover, Mark Wilder, is locked in one of the cells. He is naked and covered in bites and blood, and he has been changed into a vampire. Unless Hope can reawaken Marks human desires, he will remain the slave of a vicious predator. No one in the Sheriffs Office wants to believe the murderer of is a vampire. That hardly surprises Hope, but the authorities abnormal denial has a more terrifying cause, a predator with irresistible psychic abilities. Hope finds herself alone against her colleagues, a sadistic vampire, and her dangerous ex-lovers conflicting vampiric and human needs. She must overcome Marks darkest desires, and her own. If they dont destroy the predator, he will go on killing, and he will drag Mark in his murderous wake.
