

Kiss My Blarney Stone (The Complete Serialized Novel)

Romantic comedy with an Irish lilt (a 3-part serial in 1 volume) The year is 1975. The place is Ramhaillim Manor, a whimsical old mansion (which may or may not be haunted) on the west coast of Ireland. The girl is Sharon OShaughnessy, an Irish-American spitfire who has just inherited Ramhaillim from her Great-Aunt Deirdre or half of it anyway, as Sharon discovers when she reaches Ireland and meets Rory Egan, the handsome Irishman who has inherited the other half of the house. This could be a good thing, because Sharon loves horses, and Rory is a horse breeder. Except Rory is also full of blarney, Sharon is quite sure. Hes an incorrigible rascal, and a smart girl shouldnt believe a word he says. Sharon, of course, is a smart girl. Youll never find her falling under the mans roguish spell. Or will you?
