

Cambio (Spanish Edition)

Solo un gran problema, una gran crisis, hace pensar al hombre en el cambio. Asi es como nos han educado. OSHO Este libro no contiene consignas politicamente correctas. Al contrario, el mensaje de Osho suscitara profundos desacuerdos y debates, ya que para el filosofo la encrucijada en la que nos encontramos requiere una respuesta rapida y audaz. ENGLISH DESCRIPTION OSHO is back tackling one of the most difficult subjects in today s uncertain world: how to convert a crisis into an opportunity. Known for his revolutionary contribution to the science of inner transformation, OSHO is one of the most provocative and inspiring spiritual teachers of the twentieth century. The influence of his teachings continues to grow, reaching seekers of all ages in virtually every country of the world.
