

Hotter Than Hell 2: Deliver Us From Evil

Shawn has been in jail for two years and he is finally released. Once he is released he moves in with Kai, the married prison guard he has been sleeping with in jail. Kais relationship with Shawn is going great until he seeks out Ava. While he was in jail Ava gave birth to their daughter and Shawn wants a relationship with Jayla. At first Ava resists but soon she and Shawn engage in their own little romantic tryst leaving a scorned Sassy in their wake. Sassy is the scorned lover who was there for Ava during and after her pregnancy and is anything but happy when Ava decides to move out of what she thought was their love nest. Soon after she finds out that Ava and Shawn are involved and decides to stir up a little trouble for them. When Sassy goes to visit Felicia who has been in jail for killing the police officer who was involved with her and Shawn she delivers news that devastates Felicia. Felicia embarks on a journey that will turn Shawn and Avas world upside down. Once she is released she is determined to break up their happy little family. Will Felicia get her man and live the happily ever after she has been waiting for? Will Kais husband discover her affair with Shawn? Will Ava and Shawn live the family life they didnt realize they wanted? Find out how an affair with the wrong person can have devastating consequences.
