

Last Man Out

Golf Professional David Moore never expected a naked woman to be the prize for winning a golf tournament. Yet there she sat beside him in the golf cart. So perfect. She didn't even sweat. By the time the tournament finished, she revealed everything and he discovered that beauty really existed only skin deep. Former golf professional, bestselling author Dean Wesley Smith has written more than one hundred popular novels and hundreds of published short stories. His novels include the science fiction novel *Laying the Music to Rest* and the thriller *The Hunted* as D.W. Smith. With Kristine Kathryn Rusch, he is the coauthor of *The Tenth Planet* trilogy and *The 10th Kingdom*. He writes under many pen names and has also ghosted for a number of top bestselling writers. Dean has also written books and comics for all three major comic book companies, Marvel, DC, and Dark Horse, and has done scripts for Hollywood. One movie was actually made. Over his career he has also been an editor and publisher, first at Pulphouse Publishing, then for VB Tech Journal, then for Pocket Books. He is now an executive editor for Fiction River. Currently, he is writing thrillers and mystery novels under another name.
