

LawBlogOne

The alternative study guide containing the random musings of a law student, graduate, writer, musician and general nuisance railing against the state, inequality and poor gig sound quality. 6 years study, full time work and stress. Exam Anxiety. First Class Honours Degree. Guitar fetishism. Two Cats in the Yard. Politick. Getting Married. Migration. Migraines. Car crashes. Governor of Texas. Terrible gigs. But plenty of time to write over 430 drokking pages of nonsense!!!! Follow the trials & tribble-ations of Mike Farrell-Deveau as he charts the farther reaches of near lunacy on the way from being a complete nobody to a not so complete but socially aware nobody. Buy this book. Its enough to make you bleedin mad!
