

Savage Nature: Number 5 in series (Leopard People)

When Saria Boudreaux finds a dead body in the Louisiana bayou near her home, her first instinct is to go to the police. But there's a problem: it looks like the victim may have been killed by a big cat - and her brothers are all shape-shifting leopards. Sent by the land's owner to investigate, leopard-shifter Drake Donovan is ready for anything - except the insatiable hunger that rocks him when he meets Saria. Deep in his soul he knows that she is destined to be his mate. Torn between protecting her brothers and finding the truth, Saria treads warily around the powerful shifter. Yet as they venture deep into the mysterious bayou on a hunt for the killer, Saria finds herself longing for Drake's touch and the sweet release of surrender ...
