

Lets Draw Manga: Ninja and Samurai

LETS DRAW MANGA Ninja & Samurai is a fist full of fun, with more action than you can shake a katana at. The western audiences fascination with ninja and samurai has been on the rise recently with famous titles such as Lone Wolf and Cub and animated features like Ninja Scroll, which have gained much public attention. Yet there has not been a real instructional book about these legendary warriors until now! Inside this book you will learn from experienced manga artist, Hidefumi Okuma, on drawing the daily life and tools of the legendary samurai and their most menacing foes, the ninja. Also featured are the Kunoichi female ninja, mendicant Zen priests and much more. By providing readers with an in-depth look at these characters and their appearances, facial expressions, clothing and weaponry, you will gain the knowledge and understanding of what it takes to create authentic manga of this genre. This book will serve as a unique reference for any manga artist aspiring to create a samurai and ninja manga action series.
