

# Libertine: The Creative Beauty, Humor, and Inspiration Behind the Cult Label

Libertine is an invitation into Johnson Hartig's world, as the designer shares images of his eccentric and whimsical fashion designs, inspirational references, and his captivatingly eclectic interiors. Johnson Hartig is the founder and designer for the innovative fashion brand Libertine, which is renowned for breathing electric life back into vintage couture pieces by cutting them up and adding ornate crystal embellishments, rich silk-screened graphics, and embroideries to create gorgeous one-of-a-kind garments. With an uncanny ability to combine unexpected colors, patterns, and textures, Hartig has created a style that is youthful and edgy yet undeniably glamorous and sophisticated. A hopeless traditionalist yet a rule breaker, Hartig's personal style was initially what inspired the brand, and this eclectic philosophy permeates all parts of his life. Early champions include Anna Wintour, Karl Lagerfeld, and Damien Hirst. This captivating volume takes the reader on a much-awaited tour of Hartig's charmingly quirky home and personal style, which often garnish as much attention as his fashion brand. Hartig's passionate and playful personality shines through in his designs for Libertine as they do in the creative and uniquely decorated interiors of his home. His energetic spirit and joie de vivre lifestyle is contagious, and this volume will be an indispensable visual arcade to be cherished by lovers of fashion, style, and interior design alike.
