

Lust in Translation: A Transgender Erotic Romance Short (Transgender and Genderqueer Erotic Romance)

Rainbow Award-winning author Giselle Renarde presents a sexy short story with a comically geeky twist. Just because Noor was raised as a girl doesn't mean he knows how to talk to women. After too many misunderstandings, his awesome curvy-creative girlfriend Julie said she never wanted to speak to him again. But Noor can't live without the self-described freak Julie. In the time they're apart, he builds a machine that's sure to save their relationship: a geek-to-freak translator. Lust in Translation also appears in the anthology Everybody Knows: 15 Transgender Love Stories. Giselle Renarde is an award-winning author of queer fiction. Her erotica has appeared in well over 100 short story anthologies, including prestigious collections like Best Bondage Erotica, The Big Book of Orgasms, The Mammoth Book of Quick and Dirty Erotica, and the Lambda Award-winning collection Take Me There, edited by Tristan Taormino. Giselle's juicy novels include Anonymous, Cherry, Seven Kisses, The Red Satin Collection and Bali Nights.
