

## Light In Shadow: Number 1 in series (Whispering Springs)

New York Times bestselling author Jayne Ann Krentz welcomes you to Whispering Springs, Arizona, where, for the right price, anyone can buy a new identity and get a fresh start. But as Zoe Luce is about to learn, no one can truly escape. Zoe Luce is a successful interior designer who developed an unusual career speciality - helping recently divorced clients redesign their homes, to enable them to forget the past and start afresh. But Zoe knows that some things can't be covered up with a coat of paint. And when she senses that one of her clients may be hiding a dark secret, she enlists private investigator Ethan Truax to find the truth. Working together, they start to unravel the mystery, but Ethan's investigative skills start to backfire on Zoe: she never wanted to let him find out about her former life; she never wanted to reveal her powerful, inexplicable gift for sensing the history hidden within a house's walls; and she never wanted him to know that Zoe Luce doesn't really exist. But now, Ethan may be her only hope, as just when Zoe started to dream of a normal life and think about the future, her own past starts to shadow her every step - because the people she's been running from are getting close to finding her.
