

LINKEM UP On Outlook (Outlook0 2000, 2002, 2003. On Office series)

This guide assists all levels of Microsoft Outlook users in furthering their understanding of the programs features, from communicating with an ever-growing list of contacts to upgrading installations. A full range of functions are discussed, such as adding an appointment to a calendar, sending a message to only a portion of a distribution list, creating e-mail templates, and customizing menus and toolbars. Also addressed are setting up the Microsoft Free/Busy service, working with Internet faxes, and backing up data.
