

## Lipstick & Miniskirts

A little makeup can be a magical thing. Most people dream of being someone else, from time to time. These fantasies invite us to explore ourselves, our wants, our hopes, our dreams even our desires, the ones we keep hidden from the rest of the world. The ones we were too afraid to indulge. But behind the right mask, anyone can find safety, and this is even more true for the (un)lucky boys in these twenty-three tales of crossdressing, feminization, futanari, and much, much more. Come indulge your own wicked fantasies with John Dylenas Lipstick & Miniskirts, a collection of steamy short stories and naughty novellas that are sure to put a run in your stockings and make you tremble in your high heels. For there's nothing more thrilling than a little taste of sin and Lipstick & Miniskirts offers you a whole, sexy mouthful.
