

## Little Black Sambo (Illustrated) (Childrens Picture Books)

Review :The story of little black Sambo is truly a classic from all who remember it from our childhood.Helen Bannerman wrote this story for her two little children while traveling with them by train across India. If people would LOOK AT THE ILLUSTRATIONS they would see that Sambo is a little Indian boy from India, continents away from America and the Cival war and or South. I ran 2 independant bookstores some 12 to 14 years ago and when I finally found THE STORY OF LITTLE BLACK SAMBO in print again Id order maybe 60 copies a week and could not keep this wonderful little storybook in stock. Almost every buyer were grandparents who could not wait to introduce their grandchildren to a book we all knew and loved. It is a must have for all collectors of wonderful literature!
