

# Bear Put Spread: A Simple Options Trading Strategy for Consistent Profits

A Simple, Proven Options Trading Strategy For Consistent Profits In this book, you'll learn about a simple, proven options trading strategy called a bear put spread. Not only will you learn what a bear put spread is, and when to use one, but you'll be taken step-by-step through how to execute the strategy to help you make consistent profits as an options trader. Here are some of the specifics you'll learn...

- When you should consider using a bear put spread-- Chapter 1
- How a bear put spread yields a greater profit than buying put options alone-- Chapter 2
- A step-by-step example of how to execute a bear put spread-- Chapter 3
- A detailed walk through of all the possible outcomes including the exact formula for calculating maximum profit-- Chapter 4
- The risk and reward dynamics of the strategy-- Chapter 5
- A detailed cheatsheet diagram of the potential profit and loss associated with the strategy-- Chapter 5
- And much much more! Download your copy today!
