

## Passion of Thunder (Thunder Trilogy) (Volume 2)

Rion and Annie have made a home for themselves on Rions world. But there are those who cannot tolerate having an otherworlder living among them. People who are jealous of their happiness. People who would do anything to see that their marriage is destroyed, and their lives forever ruined. It will take every ounce of love between Rion and Annie to face the obstacles and hatred suddenly thrust at them. What they never anticipated was that an angel would resort to murder.
