

## My Girlfriends Daddy (Daddies Book 1)

Heads turn at a get-together where Warner Lowery shares details of his first time encounter with the hottest older man he'd ever met. Warner had struggled, especially since he'd been only nineteen and adamant he wasn't gay, only to succumb to the touches of the man he shouldn't have wanted. The story brings back all kinds of memories and makes Warner realize he has been carrying a torch for far too long. No other man has ever surpassed Sam Parker in Warner's mind. No one.
