

Love In Handcuffs: The Complete Series (A BDSM Erotic Romance Novel)

Katrina Solly is anxious, nervous, and recently \$300,000 richer. Having boarded a cruise ship to Mexico, she just has to wait the few painstaking days until landfall, afraid that the authorities will soon discover her theft. What she didn't expect, however, is the tall and handsome stranger watching her from afar; is he a federal agent? Does he know? After fainting into his arms, she can't help but confess her crime, but Michael Sheldon isn't the person she thought he was... Soon their lives are inextricably tangled; their brief love affair cruelly cut short by the faltering engines of a cruise liner. Will Katrina face up to her crime? Will Michael let his lover fall for such a fate? This steamy 53,000 word novel is the complete collection of the three installments of Ashley Spector's thrilling erotic romance series; Love In Handcuffs: The Secret Billionaire, Love In Handcuffs: The Irresistible Billionaire, and Love In Handcuffs: The Billionaire's Prisoner. Intended for an adult audience, this enthralling tale follows a desperately naive young secretary, fleeing her life back home, scared for what the future may bring; a gorgeously handsome billionaire businessman, looking for the giddy thrills his highly respectable life can't bring him, and a host of lurid, submissively sumptuous sex scenes!
