

Love and Fire - Collection (1 & 2)

A love story with erotic features. Not a pure erotic novel. Shortly after Emma's cheating boyfriend leaves her, she decides to regain her self-worth by going with her friend to the House of Temptation, a combination discotheque and swingers club. Emma has only a faint idea of what to expect, but she most certainly didn't anticipate meeting the most desirable bachelor in the city there. With his irresistible, secretive charm, he manages to seduce Emma. Everything could be so perfect, if only his equally attractive brother hadn't shown up suddenly to reveal James' dark past. This collection of novellas contains the first and second parts of the thrilling and tantalizing erotic series.
