

## Love Under Attack (FRCC Book 1)

\*\*\*Love Under Attack is the same as The College President. Please note, this is the same book, just a name change\*\*\* Imara Winters is a part-time professor at Far Rockaway Community College. She loved her students, her co-workers and her school and one new college President threatened her future with them all. T. R. Matthews fired half the staff and started his campaign to eliminate her job as well. Imara planned to eliminate his job, until he had her up against the whiteboard screaming his name. She has a man, but her body wants the one who is ruining her whole career. The new college President, T.R. Matthews, has made it his mission to bring Far Rockaway Community College back to its former glory. Unfortunately that includes eliminating employees like the part-time professors. Matthews is up for the job and was thought to have thick skin, until the fiery Ms. Winters crawled under him and began to unravel his facade. He wants her and he will get her. They fight, they argue, and they fuss, but will the forces working against them prevail or will they overcome their internal and external obstacles?
