

## Miscellaneous Texts: Contemporary Artists (Jean-Francois Lyotard: Writings on Contemporary Art and Artists) (English and French Edition)

The second volume of Jean-Francois Lyotards Miscellaneous Texts, Contemporary Artists, gathers thirty-nine essays by Lyotard that deal with twenty-seven influential and innovative contemporary artists: Luciano Berio, Richard Lidner, Rene Guiffrey, Gianfranco Baruchello, Henri Maccheroni, Riwan Tromeur, Albert Ayme, Manuel Casimiro, Ruth Francken, Barnett Newman, Jean-Luc Parant, Francois Lapouge, Sam Francis, Andre Dubreuil, Joseph Kosuth, Sarah Flohr, Lino Centi, Gigliola Fazzini, Bracha Lichtenberger Ettinger, Henri Martin, Michel Bouvet, Corinne Filippi, Stig Brogger, Francois Rouan, Pierre Skira Pastels, and Beatrice Casadesus. Many of these texts were originally published in catalogs; others were published in hard-to-find journals. This volume of Miscellaneous Texts is illustrated with more than sixty images, mainly in color, of works of art discussed by Lyotard in these writings.
