

Because Im Watching: A Novel (The Virtue Falls Series Book 3)

Veteran Jacob Denisov lives alone in his small, darkened Virtue Falls home, sleepless, starving, blaming himself for the horrors of the past and waiting for the moment when he gathers enough courage to kill himself. When neighbor Madeline Hewitson drives her car through the front wall of his house, she breaks his house--and Jacobs life--wide open. She isn't called Mad Maddie for nothing. The survivor of a college dorm massacre, a woman accused of her lover's murder, she is haunted by ghosts and tormented by a killer only she can see. Dealing with construction and forced to see the world outside his home, Jacob watches Maddie, recognizes a kindred spirit and wonders--is this truly madness, or has someone caught her in a twisted labyrinth of revenge and compassion, guilt and redemption, murder and madness? From this master of the genre, Christina Dodd, comes a suspenseful thriller of this remarkable, mesmerizing series (Library Journal starred review) set in the quaint -- and deadly -- coastal town of Virtue Falls...
