

## Master of Sin (Courtesan Court)

Flying from sin. . .Andrew Rossiter has used his gorgeous body and angelic face for all they're worth--shocking the proper, seducing the willing, and pleasuring the wealthy. But with a tiny son depending on him for rescue, suddenly discretion is far more important than desire. Hell have to bury his past and quench his desires--fast. And hell have to find somewhere his deliciously filthy reputation hasn't yet reached. . . .into seductionMiss Gemma Peartree seems like a plain, virginal governess. True, she has a sharp wit and a sharper tongue, but handsome Mr. Ross wouldnt notice Gemma herself. Or so she hopes. No matter how many sparks fly between them, she has too much to hide to catch his eye. But with the storms of a Scottish winter driving them together, it will be hard enough to keep her secrets. Keeping her hands to herself might prove entirely impossible. . . .Praise for Maggie Robinsons NovelsDeliciously wicked. --Romance Junkies (5 stars) on Mistress by MidnightA fun read that will keep you turning pages into the night. --Affaire de Coeur (4.5 stars) on Mistress by Mistake
