

My Sassy Settler (Willamette Wives) (Volume 2)

What should be a wonderful new adventure for newlyweds Wyatt and Agatha Wilcox is not turning out quite the way theyd hoped. Wyatts dreams of building a new life with the girl hed met and wed while traveling on the Oregon Trail are turning into a nightmare. He loves his wife dearly but has no idea how to reach her. Agatha knows she isnt the wife that Wyatt dreamed of. Despite her deep love for this man, she just finds it impossible to cast aside all the words and damnation shed been hearing from her stepfather for the past year. Her hope that shed find a fresh start as Mrs. Wilcox, and her excitement at the idea of settling into their first home on a ranch theyre going to help build, are overshadowed by the fact that her Ma is no longer with her, and the knowledge that she is not the pure and innocent woman Wyatt deserves. She knows she is a sinner; a woman too weak and too selfish to let the man she loves go free. Dangers in this newly settled land arent limited to the bears and wild cats that roam the forests and mountains of the Willamette Valley. The deep cold of winter is coming, and the ranchs inhabitants need to prepare. It is with the help of friends, their partners in building The Double R Ranch affectionately known as The Rose Ranch to its founder that things come to a head between Agatha and Wyatt, and their first steps toward a new life are taken. Will the couple find their way past the hatred spewed by a self-proclaimed preacher to find that, together, they have the strength and the love to build the lives they each had envisioned? With patience and love, will Agatha learn to trust that this man would never let her down? What will Wyatt think when he discovers that, beneath her fear, he not only wed a wonderful woman, but he has wed his own Sassy Settler? My Sassy Settler is the second book in the Willamette Wives series, and also continues the story of Anna

and Richard, Charity and James, and other characters first introduced in Maggie Ryans bestselling book: His Passionate Pioneer. Disclaimer: This book contains the spanking of adult women and explicit sexual scenes including anal play. If such material offends you, please do not purchase.
