

Posing for the Man of the House

18 year old college student Jenny is back from college for spring break and she loves flirting like she used to with the man of the household, Dave, who is also a professional photographer. Jenny takes every opportunity to pose seductively for Dave when he takes pictures to entice him. And she is in luck when she finally gets the chance to pose for Dave during a friendly game of volleyball as he takes pictures from the side at her request. Jenny listens to the sweet sounds of the camera taking pictures as she poses for Dave innocently. Jenny cant stop thinking taboo thoughts about Dave, and its growing even more difficult since he doesnt seem to be taking the hint. She decides to give up until she spots Dave in his office back at home, pleasuring himself to the photos he took of Jenny during the volleyball game in her seductive stance. Jenny decides that she might take advantage of the situation in order to do some more posing for Dave so that they can both satisfy the urges that they have been having.
