

## Manhunting in Mississippi: Wrapped and Ready (National Consumer Promotion)

Note: This story was originally published in 2003. Piper Shepherd was desperate. As the only single member of her sorority (even chubby hypochondriac Tillie had managed to snag a suitor!) she had to find a husband soon. That wasn't easy in Mudville, Mississippi, population twenty! But Piper had a plan. First she dug up her grandmother's manhunting manual. Then gorgeous Ian Bentley came to town....Ian Bentley had no intention of saying I do--ever! As it was, he'd just narrowly escaped a brush with matrimony. So the last thing he expected was to fall victim to sexy Piper Shepherd's manhunting scheme. The sassy little brunette was tempting, he'd give her that. But she wasn't going to get this man to the altar....
