

## Marblestone Mansion, Book 6: (Scandalous Duchess Series)

Early one August morning, Miss Patella Green was found dead in her bed. The child she claimed Douglas Swinton fathered was yet unborn, and more than one in Colorado Springs thought he had something to do with her death. After all, just a few days before she publicly accused him, he married someone else. Desperate to return to what she thought was her rightful place in London Society, the ex-Duchess of Glenartair was willing to do anything Lady Husher asked of her. It was a simple request and a task she could carry out with ease, but then, nothing in her life ever went as planned.
