

Secrets and Seduction ~ A Victorian Romance and Erotic Short Story Collection. Vol. III (The Victorian Collection Book 3)

Secrets and Seduction is a short story collection of five newly written Victorian romantic and erotic short stories and includes the following stories: The Lady in White Fallen Woman Nightly Hunting French Liaisons The Old Rose Garden Please note: These short stories includes erotic adult themes such as: Forbidden desire, romantic liaisons, debauchery, seduction, bisexual, threesome (MFF), semi-rough lovemaking, sensual erotica, and lesbian romance themes. Extracts from the stories: But still, this was nothing like that. It truly was the most innocent kiss. Nothing more, and nothing less, he thought as he gently pressed his lips against hers. And there was something absolutely maddening about kissing this slow and careful. Something perfectly irresistible about kissing so softly and restrained with the knowledge of what could be should they crossed the line. Like walking on spring ice when you are tipsy, Ewan thought. Exhilarating, fun, but utterly dangerous. - From the short story The Lady in White An extract from the story: For months I had longed for her, even though I had not completely understood it myself, or perhaps was unwilling to admit it, and now when she was in my arms, kissing me and caressing my breasts through the black linen maids dress, it felt like my skin was on fire everywhere she touched me. - From the short story Fallen Woman Warm, soft skin and ringlets of chestnut-coloured hair clouded his mind, obscured his vision and repeatedly diverted his focus. And when she skilfully managed to undo his coarse wool trousers so that his naked hardness suddenly was allowed to press directly against her unclad thighs and bottom, he knew that the battle was lost. - From the short story Nightly Hunting At first he could not exactly identify what it was that was wrong, distracted by the combination of increasing carnal lust and the fact that his attentiveness was somewhat diminished

since he had just woken up. Therefore, it was not until he felt a second female body embracing him from behind and a soft thigh entangle itself in between his own legs that Louis understood that something was very clearly amiss. Quest-ce qui se passe? he asked out loud in French, too confused to remember to speak English. What is happening? - From the short story French Liaisons Product details: Category: Victorian Romance and Erotica Format: Kindle eBook Written and published: 2013 Length: ~ 35500 words Proofread by Pauline Nolet Publisher: My Secret Quill About the author: Lady T.
