

Master Realist Techniques in Colored Pencil Painting in 4 Weeks: Projects for Beginners: Learn to draw still life, landscape, skies, fabric, glass and textures

Second edition, improved and revised. This book is designed for absolute BEGINNERS who have the patience to work with colored pencils, and can dedicate enough time to develop their artistic sensibilities. Students from age twelve to adulthood will benefit from its contents, strengthening their skills and discovering their creative possibilities. This book is packed with valuable information on tools and techniques for drawing still life, landscape, cityscape, texture, glass and flowers. In addition to informative illustrations and descriptions, each chapter features several step-by-step demonstrations. For experienced artists, the book offers explorations of a variety of more sophisticated subjects, complete with additional step-by-step demonstrations.
