

A History of Greek Sculpture (Classic Reprint)

Excerpt from A History of Greek Sculpture
In this work I have been materially assisted by the editor, Professor Herbert Weir Smyth, to whose judgement I have often referred. Professor George II. Chase and Professor Harold N. Fowler have read all the proof sheets, and given me many valuable suggestions. Professor Arthur Sherburne Hardy has placed me under lasting obligation for his valuable assistance. About the Publisher
Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com
This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
