

Mayhem and Magic #2

This action-packed COMIC BOOK series tells a brand-new story in Sarah Fines RELIQUARY universe! Backed into a corner by the crime boss Conti, Asa must do the gangsters bidding or lose what he cherishes most. That means infiltrating a swank, secret auction and stealing the enchanted objet of honor from an even more dangerous underworld big shot. But with a brutal enforcer standing in his way, Asa will need the quickest wits, fastest fists, and meanest magic to even the odds, get the goods, and stay alive. Bestselling author Sarah Fine (Marked, Sanctum) gives hard-boiled noir a magical edge in this stand-alone four-issue comic book adventure where crime collides with conjuring in the spellbinding world of her Reliquary series. Featuring an action-packed script by Alex De Campi (No Mercy, Grindhouse) and stunning art from Dennis Calero (X-Men Noir).
