

Melonee Bracs Mistletoe Madness [Brac Pack 30] (Siren Publishing Menage Everlasting)

[Siren Menage Everlasting: Erotic Paranormal Menage a Trois Romance, M/M/F, fae, HEA] Maverick Brac is having a hard time letting go. It has been a full year since Melonee found her mate, yet he cant seem to accept that shes not his little girl anymore. Melonee knows Maverick loves her, but waiting to be with Ruttford is no longer an option. Especially when Ruttford gives her five days to settle her affairs at home before he claims her. But her troubles are only beginning when a stranger shows up at her door and Melonee realizes the handsome man is her second mate. Adam Nyte has come to Brac Village with a hidden agenda, but soon finds nothing is at it seems, including the way the seductive but innocent Melonee Brac affects him. Between her family offering up sex tips and Maverick blowing a gasket every time her mates names are mentioned, Melonee has no more room for madness in her life. But will she be able to handle the love of two men, or will the chaos all around her prove too much? Note: Each book in Lynn Hagens Brac Pack collection focuses on a different romantic couple. To enjoy the overall story arc and crossover characters, we recommend reading the series in sequential order. ** A Siren Erotic Romance
