

The Mighty Quinn

A comical love story about finding out who you really are and who you really aren't... Tired of unappreciative losers who leave her behind, Quinn Gallagher decides it's time for a whole new Quinn. Someone who is bold and brave and sexy. So what happens when one woman tries to reinvent herself to try and find love? With the help of a seventy-something former burlesque dancer; a crash course in fishnets, walking, and wooing; and a very sexy leading man; it can be good, it can be bad, but it is definitely hot and hilarious.
