

## How to Keep Your Loved One Safe in a Wisconsin Nursing Home

We have met hundreds of families whose lives have been torn apart by nursing home abuse and neglect. We generally meet them after their loved one has suffered a preventable tragedy at a Wisconsin nursing home. This book is our attempt to reach families before their loved ones suffer needlessly. The goal of this book is to teach you to prevent, recognize, and remedy nursing home abuse and neglect. We hope that you will read this book and use it as a first aid kit to help you help your loved ones get the safe, dignified, high quality care they deserve.
