

## The Threesome

Only a year out of college, Keira and Ryan were at their favorite coffee bar when the enormous black man sat down at their table and offered to buy her from her boyfriend. It was a joke, of course, and his foreign accent evaporated as the two men laughed at her indignation. Lewis was Ryan's college buddy, staying at a fancy hotel, and asked them to visit. He was also clearly very interested in blonde Keira. Ryan, meanwhile, loved taking pictures and videos of her, and had been strongly hinting at a threesome for some time. No way was Keira going to agree! Except, Lewis was gorgeous, and a bit scary, since Ryan told her he liked to tie girls up, and even spank them! The whole idea was outrageous! And yet, that night, and into the next day, she would experience the most shocking, thrilling, kinky sexual experience of her life!
