Vinylmation Pins have taken Disney Parks by storm with some of the funkiest, trendiest and fun designs in the World of Disney Pin Trading. This Vinylmation Edition covers everything we know about the Vinylmation Pin Collections plus some of the great Pinformation from the first book Where do you get your pins? What Vinylmation collections are available? What do you need to trade Vinylmation Pins? The History behind Disney Vinylmation Pins & Figures Complete Checklists with over 40 pages of Vinylmation Pin Images This book gives you all the answers in an all inclusive guide to the amazing and often obsessive World of Disney Pin Trading, and is an essential book for any Disney Vinylmation collector! Praise for the Mouse Pin Trading Guide This is a complete and fun book full of information that I didnt know that I didnt know! I have been pin trading on my annual Disney visits, but I knew there was stuff I could learn. The checklists allow me to identify and organize the pins I have, and watch out for the pins I would like to find. I do NOT want to collect them all, but I can choose. Reliable and secure sources of pins for trade that I hadnt considered. Abbreviations that are handy to know. Even for us that dabble in pin trading. B. Cleland (Chesapeake, Virginia United States)
