

A Surprising Gift: Historical Medical Humiliation

You will supply all his needs and understand your own When Adell is given an appointment with Emmet Glynn she could never have imagined what the doctor had in mind for her. Tasked with getting to know her better, she soon finds he takes his duties very seriously and has some unusual techniques to stimulate her senses. Not wanting to lose her dignity Adell is tempted to leave, but the doctor soon has her in his thrall, teasing, stretching and filling her for the very first time. What will her betrothed think of her of new found knowledge? Another short hot read from the pen of Kinsey Grey.
