

CCNA 3 and 4 Engineering Journal and Workbook (Cisco Networking Academy Program) (3rd Edition)

The only authorized Engineering Journal and Workbook for use in the Cisco Networking Academy Program CCNA 3 and 4 courses. Maps to new revised CCNA 3.0 online curriculum. Authors are the developers of the online curriculum. Journal includes additional exercises and focus questions. The Engineering Journal and Workbook begins the best-practice method of maintaining a journal for the workplace to document and track the work. It also includes CCNA review questions, focus questions, and additional exercises for further study. The authors are the developers of the web-based Curriculum for the Cisco Networking Academy Program and experts in the online learning environment.
