

Enigma (Southern Arcana) (Volume 6)

Anna Lenoir has always fought. First to escape a broken childhood, then to prove a female shapeshifter can stand shoulder to shoulder with the men. Now she fights for money, and her reputation is as legendary as her stone-cold heart. She's never met a man she couldn't walk away from. Until him. Bounty hunter Patrick McNamara has a scary reputation of his own, along with mysterious powers linked to his many tattoos. On the clock, they're the perfect supernatural-crime-solving team. After hours, she's ready to rock his world. But Patrick won't settle for just her body, and Anna's better at breaking homes than making them. When the heir to the Southwest council goes missing, their combined skills are the best chance of averting a territory war. But the hunt will drag them through the most vulnerable parts of their broken pasts. Daring to risk her heart might be the first fight she loses, and the stakes have never been higher. Because Patrick will sacrifice anything for her. Even his life.
