

## Sweet Suspicion (New Orleans Trilogy Book 3)

Muse Summerville was the only living witness whose testimony could put a notorious crime boss behind bars. Remi Beaulieux was the FBI special agent assigned to her safety. The FBI had rules about that sort of thing. But in the twenty-four hours since he'd laid eyes on her, Remi had broken every last one of them. For years Muse had hidden behind her reputation as a party girl. But sharing every moment of every day and every sultry second of every night with her sexy protector was making it hard to hide anything. Suddenly her life wasn't the only thing on the line.
