

## Hot Boxed: How I Found Love on Amazon

Randi works at an Amazon Distribution Center, putting packages together for customers. With no prospects in sight, she assumes she will probably work there forever like being trapped in a cardboard box. Then one day a name pops up on her scanner she recognizes, a name that renews her with her teenage hopes and dreams, and suddenly everything is off the hook and up for grabs. Its just a name, but now she is no longer content to lead an ordinary life. Her old dreams haunt her. Can she dare to fulfill them, to act, to escape her life? Learn what it takes to get the thing you most desire in this daring, sexy and funny story: Hot Boxed (How I Found Love on Amazon) by Lacey Noonan. Sometimes all it takes is a name. HEADS UP: This story contains some scenes of an adult nature, written with a sublime prose-style that will titillate the mind and the senses. All characters are over 18, which is cool too.
