

Breeding Scarlet (Whore For The Wolves Series Part 1)

Scarlet must travel through the enchanted forest to pay her family's centuries-old debt to the wolves. She sucks and fucks every lusty creature she encounters, doing whatever it takes to ensure her safe passage through the woods. The werewolves are hungry for her ripe young body and they are insatiable. Read on for a small taste of what's inside: Scarlet stared at Alexander, and slowly pulled her hood down, revealing her long, shiny hair. She slowly unfastened the hook and let the cape fall to the ground, a sea of red around her feet. Very slowly, so Alexander did not fear any sudden movements, she began to tug at her shirtsleeves and slid her arms out. What are you doing? he asked angrily. Undressing, Scarlet breathed, pulling her dress down around her waist, exposing her alluring red bra. She yanked her dress over her thighs and it fell to the ground in a heap, leaving Scarlet in her bra and panties. Taking her time, Scarlet slid her hand down her stomach until she reached the band of her panties. She gently slipped her hand inside her underwear, caressing herself. Alexander's breath caught in his throat. Scarlet seized the moment and let out an erotic moan to let Alexander know she was enjoying herself. Stop, he said in a strangled voice. I can't, she whispered, It feels too good. She applied more pressure as she rubbed herself and she moaned again as her silky fingers moved between her folds, pushing them apart as her middle finger rubbed against her clitoris. Scarlet knew how to please herself and she was oddly turned on by this angry shifter watching her. She began to rub herself faster and she moaned softly, bringing her other hand up to her breasts and squeezing herself through her bra. Stop, Alexander said again, this time with less force. No. Touch me, Scarlet whimpered, her wetness between her thighs now making soft, slicking noises. Alexander lost all resolve and rushed to Scarlet's side, yanking her

panties down roughly, before burying his hands in her. Scarlet cried out with pleasure, and her knees went weak. Alexander helped lower her to the ground, and he yanked his shorts off, stroking his enormous cock with one hand, while his other hand explored Scarlets pussy. Scarlet unhooked her bra, exposing her soft breasts and ran her hands greedily over her mounds, squeezing them and twisting her nipples. A stiff erection now sat between Alexanders legs, and he used both hands to play with Scarlet. He teased her; rubbing her clit and then shoving two fingers deep inside of her, letting her wetness run over him. He alternately reached his hands to her breasts, clutching and crushing them, so that Scarlet cried out from the pain.
