

Ninja Vigilante: Slave to her Lust

In Part 2 of the Ninja Vigilante saga, Alexis discovers her suit has been tampered with to constantly arouse her, and tracks down the man responsible. Stripped naked to avoid his control, she confronts him, yet finds herself still strangely aroused, and strangely eager to do as he commands.... Warning: this scorching hot tale of taboo contains submission, humiliation and a young woman learning who her new master is, as he uses her body for his pleasure. This story is for adults only!
