

No Lights, No Camera, All Action! (Hollywood Tales Book 1)

Hollywood. The movie industry. Sexy, Hot. Fast-paced. Hollywood Tales is a monthly series taking you into the heart (and other places) of the glamorous movie business following four roommates. Angela Talbot works as a nurse and waits for her chance to audition for that big role. She's a hot brunette in a crisp white uniform who doesn't appreciate how great she is -- but she is learning. Fast. Dominique Dizzy Dayton will take any job -- or anyone -- in the movie biz. Whether part timing it as a restaurant hostess or hot timing it with the men behind the cameras, she is on her way up with movie moguls. And willing to get down, if that's what it takes. Chad Lange works for a real ballbreaker as a production assistant. He handles the jobs his boss doesn't want -- and handles a lot more. With access to movie sets and a wild imagination, he can seduce the most starry-eyed actress and let her have a taste of movie magic. Irena Buck is in an open marriage with Chad -- and determined to find all the possible things to do that rhyme with her last name. Working as a PA for a big indie film maker, she hobnobs with both up-and-coming actors and full-blown movie biggies. In Hollywood Tales #1, No Lights, No Camera, All Action! Angela finds herself nursing a famous actor with an affliction he doesn't want revealed to the Hollywood paparazzi -- and which she loves! Doing her best to hide Claudio where no one but she can find him, Angela discovers that she's a lot hotter than her slut roommate, Dizzy, thinks. Enjoy Angela's fun, funny, utterly sexy and erotic discoveries in No Lights, No Camera, All Action! Adults only, please! Yes, it's that hot!
